

Get the support and resources you need to thrive

We know that health is more than visiting the doctor. It includes access to safe housing, food, jobs, family support, and social connections.

Through Olympic Connect, you will be paired with a trusted helper who will help you get support that is unique to you, your needs, and priorities, including these services:

Childcare

Dental services

Family supports

Healthy, affordable food

Higher education

Housing assistance

Job training and job connections

Legal supports

Mental health treatment services

Primary care services

Senior services

Substance use disorder treatment services

Transportation

Youth services

Safety services
